The mind is the set of faculties responsible for mental phenomena. Often the term is also identified with the phenomena themselves. These faculties include thought, imagination, memory, will and sensation. They are responsible for various mental phenomena, like perception, pain experience, belief, desire, intention and emotion or the **human consciousness** that originates in the brain and is **manifested especially in thought**, perception, emotion, will, memory, and imagination.

Having followed religiously a worldwide spiritual mission known as Nirankari Mission for almost 30 Plus years, having experienced the "Light" blessed by **His Holiness Baba Hardev Singh Ji Maharaj** in 1999 around me but same disappeared after few hours. I know now, why I was not able to receive the GRACE of This Divine energy within me. This mission taught me importance of Guru and in my quest to know more about who I am, brought me to My Divine guide, **Hon'ble Dr. Palakkal Nagaraj of Siddha Cosmic**.

Belief, one of the faculties of MIND, comes from leaving rational, logical mind (which is nothing but *Maya, an Illusion*) behind and let yourself on a quest to truly know who you are, by following a True Divine Guide.

At times, it's been challenging to understand this phenomenon, but with continued dedication and overcoming, my rational logical mind, I am enjoying experiences which I have never ever in my whole life. The **Divine Energy, GOD's vibration** which every spiritual leader (or Manager as beautifully presented and explained in Bollywood movie PK) would instruct through their own means, which every testament refers, points and claims its presence all around us.

Same Energy, With Blessings and guidance from "**Hon'ble Dr. Palakkal Nagaraj**", I experience it now everywhere, Even in Plane at altitude of around 36000 feet. **His Holiness Dr. Palakkal** course, which HH was able to accept me a student after continued persistence for around 18 months, has changed my life's perspective and having been a successful real estate entrepreneur in united states for more than 25 years, now I am on quest to explore my potential.

I would never ever have imagined this aspect/phenomena/perception without **HH Dr. Palakkal's** unique ritual free methods of being able to connect to "**DIVINE ENERGY**" around us, which is very effective and proven. I am a testament of same and pray to this supreme guru consciousness to bless me, strengthen me to serve with humility to **ALMIGHTY DIVINE ENERGY** and it's mankind.

A best of Both worlds can be in your hands, Should you choose. Only through a TRUE divine guide, In my opinion.

Humbly,

Bhushan Khanna
